JUNIOR GRAPHIC DESIGNER

Fuzati LLC

October 2018 – present

Curated a wide variety of media including, print design, web design, motion graphics design, brand design, email design, photography, and videography. Made major contributions in reformatting the agency's web design and development process. Achieved high quality work in a fast-paced environment.

GRAPHIC DESIGNER / PHOTOGRAPHER

Len Busch Roses

June 2017 – August 2018

Provided brand design, graphic design, and photography support to the largest floral distributor in the Midwest. Designed a retail brand, Busch Flower Farm, which is displayed in Minneapolis/St. Paul Target Stores.

GRAPHIC DESIGNER

UW - Stout Counseling Center

2016 – 2017

Communicated with Supervisors and Outreach Coordinators to design and develop various posters, brochures, pamphlets, billboards, and cards highlighting social and health concerns. Complied with branding standards.

Related Projects

MERCEDARIAN SISTERS

Web Design

Invented the concept of a new social media platform. Using skills in research and innovation, formed a branding system with related collateral. Other products include: designed and developed website, motion graphics, branding guide, postcards, handmade key-chains, and more. Visit mercedariansisters.org

BEHOLD MOMS

Web Design / Web Development

Designed and developed a website for a Catholic mothers organization. Designed in Adobe XD and developed in Squarespace, using the interface provided along with custom HTML, CSS, and JavaScript.
